

• Visit to Skipper Industries Manufacturing of Current Transformer

Electrical Engineering department organized visit on 20th March 2017 to Skipper Industries. Mr. A. V. Gawai & Mr. N. S. Gorhe co-ordinate this visit. Students learn about manufacturing of C.T. and winding process. Electrical Engineering department organized visit to Skipper Industries. Mr. Jhade explains techniques adopted in manufacturing of Transformer, also its testing process to students.

Visit to Skipper industries

• Project Exhibition

Civil Engineering department had organized project exhibition on 23rd March 2017, for build confidence of student and improve stage during before final oral examination.

Project Exhibition

• Project Exhibition

Computer engineering department had organized project exhibition on 23rd March 2017. Principal Prof. Mrs. V. R. Khapli encouraged the students and gave her valuable suggestions. In this exhibition all students of TYCO were participated. Mrs. N. S. Gite, HOD and all the faculty members of CO dept. guided the students regarding the objective of this exhibition as it is an opportunity for the students to address real time problems of the society and address them by using the technology. All students of FYCO and SYCO were visitors and analyzed all the projects and also they are inspired from TYCO.

Project Exhibition

• Project Exhibition

Electrical Engineering department organized project exhibition on 24th March 2017. Hon Principal Prof. Mrs. V. R. Khapli encouraged students and suggested to adapt new techniques required for industries through project.

Master Swapnil Jadhav (TYEE) and group awarded for Best Project

• Farewell Function

Electrical Engineering department organized Farewell Function on 27th March 2017. Mr J. M. Patil (Head of Electrical Department) felicitate Mr. H. M. Gaikwad (HOD-SCI). Mr. H. M. Gaikwad addressed students to become a brand ambassador of K. K. Wagh through their excellent work. He discussed about importance of engineering concepts related different techniques of the Automation. Student gets information about how to achieve success in future by strengthening their results.

Mr J. M. Patil addressing the students

• Farewell Function

Second year students of Mechanical Engineering Students organized a Farewell Party for the outgoing students of 2016-2017 batch on 27th March 2017. The function started by welcoming

the Third year students of Mechanical. The function started with the welcome address by students which was followed by the speeches of honorable Principal, Head of the Departments, Staff Members of Mechanical Engineering Department. The seniors shared their experiences during the stay in K. K. Wagh Polytechnic, Chandori. Hon. Principal Prof. Mrs. V. R. Khapli , Head of the Department (ME) Prof. V. R. Sanap congratulated the winners and presented trophy to the winners and Toppers. Finally the event closed with presenting the gift to each student of outgoing batch as a token of love & wishing their bright career & happy life ahead.

Farewell function of ME Dept.

• Farewell Function

Department of Computer Engineering had organized farewell function for the Third year students dated on 27th March 2017. In this program they got important guidance about their bright carrier from the head Mrs. N. S. Gite and Mr. H. M. Gaikwad. All the faculties are also guided them regarding how to score maximum marks in the theory exams.
